

Day of Education *Foundations*

November 11, 2026
Randolph Recreation Center
653 E Pearl St
La Grange, TX 78945

*Strengthen your systems.
Sustain your mission.*

Help Us Help Others

The Rural Nonprofit Networking Group (RNNG), a program of the Greater Fayette Community Foundation, proudly presents the 2026 Day of Education. This event is designed to strengthen grassroots and emerging nonprofits serving our rural communities by bringing expert led training home, making professional development accessible and affordable.

The 2026 Day of Education will focus on foundational areas of nonprofit operations including Human Resources, Risk Management, and Finance. These core topics are essential for building strong, compliant, and sustainable organizations, especially for new and growing nonprofits working to establish structure and stability. Attendees will gain practical tools and real world guidance they can immediately apply within their organizations.

In addition to focused learning sessions, participants will have the opportunity to engage directly with experienced professionals, including a nonprofit attorney available to provide insight and answer questions related to common legal and operational challenges.

Join us for a day of learning, connection, and capacity building. More than professional development, it is a chance for rural nonprofits to strengthen their foundation and return to their work with clarity, confidence, and purpose.
